# about

---

Wood Culture is Singapore's expert in Vinyl Flooring, Engineered Timber and Solid Hardwood.

At Wood Culture, we understand the importance of a good foundation. It is with this basis and passion for product quality and service that governs the way Wood Culture operates. Our surfacing products provide practical advantages in addition to realistic aesthetics. To ensure that every client is confident and comfortable with their selection, we are also committed to be involved in every stage of the project and will provide relevant information in the selection process, installation and maintenance of the product.

Led by a strong management team with knowledgeable expertise in the building industry for more than a decade, Wood Culture strives to provide you with the professional service that you will need for every residential or commercial project. Wood Culture serves developers, architects, designers, contractors and home owners.

Wood Culture is a subsidiary of Hafary Holdings Limited.

# solid hardwood
