

PERGO®

CLASSIC PLANK OPTIMUM CLICK

PCO016V Taupe Mansion Oak

PCO020V Nordic White Oak

From Belgium, the impressive 1251 x 187 mm Pergo plank format is complemented by naturalistic textures to perfectly simulate nature. The natural look is achieved by adding subtle nuances, high contrasts and variations between individual planks.

BENEFITS OF PERGO FLOORING

SOUND REDUCTION

The soft vinyl floor reduces step noise and provides a quiet and comfortable walking experience.

WEAR PROTECTION

The surface of Pergo vinyl offers a multi-layer protective floor finish. The protective TitanV™ layer provides scratch, stain and wear resistance and easy maintenance.

EASY MAINTENANCE

The Pergo TitanV™ protective layer is resistant to dirt and offers you low maintenance and effortless cleaning. The solid design of the click joints also keeps dirt from penetrating the joint.

FIRE RESISTANCE

Pergo vinyl floors have a natural high resistance to fire.

HYGIENIC

A Pergo vinyl floor improves hygiene and makes it easier to maintain a clean home. The sealed surface prevents bacteria, and helps reduce the amount of cleaning chemicals you need.

WATER RESISTANCE

Our Moisture Resistance System combines the vinyl floor with a strong and tight click joint. This gives Pergo vinyl floors some of the best moisture resistance properties on the market.
