Texture that Breaks the Rules

Ecosphere is a versatile wall covering designed for seamless installation, even over existing surfaces. With a design range spanning industrial concrete, refined marble, and bold graphic patterns, it brings depth and character to any space, backed by a durable, water-resistant finish built for everyday living and high-traffic environments.

Flexible by design, Ecosphere wraps effortlessly around curved walls and architectural details. Ideal for both residential and commercial spaces, it offers a seamless balance of practicality and aesthetics in one cohesive solution.
